Perfect-Fit Blinds

The ideal solution for tilt and turn windows and bi-folding doors. A huge advantage of perfect-fit blinds is that they clip into your window without any drilling or screwing and are held neatly in position. We also offer Velux and INTU brands.

LOUVOLITE

Custom colour
hardware – uniquely from
Blind Technique.

Available as Venetian,
Pleated or Roller Blinds.

Vertical, Pleated & Panel Blinds

Vertical or panel blinds are a great way to control light, glare and privacy. Ideal for larger windows or to create a partition. Pleated blinds work well for unusually shaped windows, modern tilt and turn windows and bi-fold doors.

Roller Blinds

Roller blinds are clean and elegant with a huge range of screen, sheer, patterned and blackout fabrics. Superior pelmet design and chrome chain are our standard offering. Why not upgrade to motorised control?

Shutters

Our window shutters are custom made for you and professionally surveyed and installed by one of our shutter experts. We offer S-Craft shutters, the leading brand in the UK, with a choice of six woods either painted or stained.

Conservatory Blinds

Blind Technique started out as an expert manufacturer and installer of conservatory blinds. Today we still handmade pleated, roller and woodweave blinds for any shape of conservatory for customers throughout the UK.

Benefits of conservatory blinds

Our modern range of solar control fabrics are designed to add an individual touch to your conservatory. Our blinds will help to keep your home cool in the summer while also reducing heat loss and energy bills during the winter months; you'll be amazed by the difference they can make!

All our products are guaranteed; see
blindtechnique.co.uk for more information

Awnings

Very effective at reducing solar gain as well as providing shelter to extend your lifestyle into the garden. Domestic and commercial models with options including; lighting and heating, sign writing, wind & solar sensors, controls and a large choice of fabrics.

Duo Vision Blinds

Based on a roller blind - our Duo Vision blind is hand made by us. By aligning two translucent and opaque layers of fabric you can control the amount of light and privacy in the room. Cassette finish as standard with chrome control chain or remote control.
