Ultimate operating comfort:
Silhouette® Shades with PowerRise®

Silhouette® Shades

Gentle translucency for an endless variety of moods

With the ingenious construction of Silhouette® Shades you are choosing soft fabric vanes that seem to float between sheer facings. They allow you to subtly filter the incoming light in your home and determine the degree of privacy.

**“Silhouette®
Shades give my
living room a
luxurious
feeling”**

Duette® Shades

Filtering light and insulating your home all year round

Duette® Shades are available in a wide assortment of beautiful fabrics and in three transparencies. The honeycomb structure of Duette® Shades offers privacy and makes them an energy saving window covering in both summer and winter.

The SmartCord® and LiteRise® operating systems have been designed with safety and comfort in mind.

Twist™ Roller Blinds

Distinctive ambiance and privacy control in one

Two sliding layers of fabric with sheer horizontal strips. This is the hallmark of Twist™ roller blinds. It's an amazingly simple and effective method for choosing just the right amount of incoming light and privacy.

You can opt for refined voiles or a silky fabric with a lovely luxurious feel in the open strips. Alternatively you can choose the Symphony with segments in three different shades. Whatever you decide, the quality will be outstanding.

fun design”

Roller Blinds

Express your style with
an individual touch

Luxaflex® adds a new dimension to the traditional roller blind. The collection includes striking fabrics in modern stylish colours, textures and transparencies. The possibilities are almost endless, especially if you select accessories to give your roller blind a personal accent and transform it into an exceptionally decorative window covering.

Plissé Shades

Uniquely decorative, with a shape that suits your style

The beautifully pleated fabrics create playful shadows with sunlight. Special coatings offer extra protection against sunlight, warmth, dirt and moisture. Anti-bacterial and flame retardant coatings are also available. The cleverly designed hardware offers a solution for almost any window shape.

Facette® Shades

Soft fabrics for subtle light control

Stunning Facette® Shades combine the stylish warmth of textured fabric vanes and the simplicity of a window covering that can be raised or lowered in an instant.

Sliding the opaque and translucent sections past one another allow you to choose the perfect balance of privacy and light. Available in a range of contemporary and diverse colours.

Venetian Blinds

Create light control and privacy with this design classic

Venetian Blinds have been the key product for Luxaflex® throughout the years. The extensive collection offers you multiple slat widths, from very sophisticated fine slats to 'bold is beautiful' slats. For every size of window this product has unique solutions and decorative options available. Slats in over 230 colours and finishes offer a choice to suit your taste and personal style.

Choose from traditional, hand or motorised control options for effortless operation and enjoyment year round.

Double the view with MegaView®

Luxaflex® aluminium slats are made from 98% recycled aluminium. A choice for durability without compromising on quality.

Vertical Blinds

Elegant simplicity for larger windows

With their sleek style, vertical blinds are ideal for contemporary interiors, large windows, sliding doors and even shaped windows. The collection offers an endless range of colours, patterns and rich textured fabrics. Complete with aluminium and PVC slats this collection offers almost unlimited possibilities.

“Besides colour, light control was a major requirement”
